

The path to friendship

Ingredients

*Sun herbs
Mercury herbs
Pestle and mortar
(or a bashing tool!)*

Choose the Timing

*The Moon in Leo
Sunday (or in the hour of
the Sun)
Forming an easy aspect
to Mercury
Waning moon for releasing
inhibitions*

*Waxing moon for
increasing your social
circle*

*New moon for attracting
new friends*

*Full moon for a blend of
the above*

*Place the Sun herbs and the Mercury herbs
together in the pestle and mortar, or inside a
cloth ready for bashing.*

*Grind the herbs together and focus on the new
social circle, or new friendship groups you'd
like to form.*

Visualise the fun times and socialising you'd like to be part of and say the incantation as you grind the herbs together

*By Leo's moon and Mercury's grace
Bring the people to this place
Following along a path that ends
At my door arriving new friends*

Take the ground up herbs and starting from the street, sprinkle them in a line leading towards your front door
