Light the candle and focus your thoughts on the sort of success you'd like. Is this business success? Success with a project? Spend a good amount of time visualising what success looks like to you.

Take the plants and herbs and wind a green ribbon around them. Say your incantations as you do so.

I bless my enterprise with my power  
On the day, and in this hour

*Keeping this gift, I will always see  
What is required of me  
Under the Taurus moon I work  
From my duty, I do not shirk*

*Blow out the candle and allow the smoke to  
infuse the herb and ribbon bundle.*

*Carry this bundle with you whenever you carry  
out your tasks associated with the enterprise  
success you're seeking.*
