

# To see what is hidden

## *Ingredients*

*One clear crystal*

## *Choose the Timing*

*The Moon in Scorpio  
Waning moon for removing  
blocks*

*Waxing moon for  
increasing truth  
New moon for  
transformations*

*Full moon for a blend of  
the above*

*Focus your thoughts on the issues at hand.  
What is it you would like to reveal?*

*Hold a clear crystal and concentrate your  
gaze into it. Allow conscious thoughts to fall  
away. Notice only the light, the flecks in the  
crystal. Say the incantation*

*Underneath the Scorpio moon,  
Truth shall come to me soon  
Let me see the truth within  
Here lies the truth, I am finding*
